

Student Accessibility Services is committed to creating equal access for all Canisius students with disabilities. Our mission is to see that no student is excluded or discriminated against in participating in any campus program, function or activity, while maintaining the highest level of academic integrity. We advocate responsibility for an accessible and holistic learning environment, through removal of informational, physical, and attitudinal barriers.

Griff Center for Student Success: Student Accessibility Services

HOW TO GET STARTED

1. Contact our office to let us know you are interested in registering for accommodations.
2. Provide us with your most recent psychoeducational evaluation or medical documentation that states your diagnosis and functional limitations.
3. Complete the necessary forms provided by our office.
4. Once we have your documentation and completed forms, we will set up a meeting to discuss your accommodations and get you formally registered with the SAS office.

Griff Center for Student Success PROGRAMS AND SERVICES

- Student Accessibility Services
 - Access to a designated SAS staff member to assist with accommodations and academic support.
- Academic Mentoring Program
 - Students have the option to meet one-on-one with an academic mentor who can provide academic support and connect students to available campus resources through regularly scheduled meetings. Topics include time management, study skills, and organization.
- Tutoring Center
 - Tutors are available in the majority of academic disciplines and employ various academic strategies to help address individual student needs.
- Career Services and Internship Opportunities
 - All students have a designated career coach who is available to meet with them and provide career guidance and support.
