

# CANISIUS UNIVERSITY

## Student Accessibility Services

**Student Accessibility Services is committed to creating equal access for all Canisius students with disabilities. Our mission is to see that no student is excluded or discriminated against in participating in any campus program, function or activity, while maintaining the highest level of academic integrity. We advocate responsibility for an accessible and holistic learning environment, through removal of informational, physical, and attitudinal barriers.**

### HOW TO GET STARTED

1. Contact our office to let us know you are interested in registering for accommodations.
2. Provide us with your most recent psychoeducational evaluation or medical documentation that states your diagnosis and functional limitations.
3. Complete the necessary forms provided by our office.
4. Once we have your documentation and completed forms, we will set up a meeting to discuss your accommodations and get you formally registered with the SAS office.
