

Disability Services Office

Disability Services helps enrich the community college experience for all by supporting full participation for those with disabilities. We work closely with partners throughout the campus to implement reasonable accommodations to help ensure equal access to educational opportunities, programs and facilities.

HOW TO GET STARTED

- Contact Disability Services Office and arrange to meet with the coordinator (in some cases, accommodations can be set up remotely)
- Be prepared to:
 - Discuss your needs and request accommodations
 - Provide documentation that verifies functional limitations and supports your accommodation requests
 - Agree on reasonable accommodations, you will receive a letter with your accommodations outlined so that you can notify your professor(s)
 - Utilize your testing accommodations by submitting the online form at www.flcc.edu/test, giving at least 3 business days' advanced notice
