### To Get Started

**Contact:** Director of Student Success Center (Liz Kerr), Achieve Program Director (Jennifer Cornacchio), or Admissions Counselors.

**Accommodations:** Students with disabilities may request accommodations such as extended testing time, separate testing location, textbooks in alternate formats, and note-taking services. In order to receive accommodations, documentation is required that support the need for accommodations. Each case is handled on an individual basis.

### Achieve Program for Students with Learning Differences

An optional support program that provides specialized fee-based services to support each individual in the transition to college. The program includes weekly subject tutoring, time management sessions, social events, workshops & much more!
